

DESIGNING AND DELIVERING INCLUSIVE VIRTUAL PROFESSIONAL DEVELOPMENT

In every session we will model innovative ways to “set the stage” for learner engagement and success. We’ll share effective and easy to implement tips and techniques and there will be opportunities for discussion and networking with other PD providers. You’ll leave each week with tons of resources designed to transform “old-fashioned” ways of designing and delivering PD.

BIG IDEAS BY SESSION

WEEK 1
11.2.2020
12:00 PM – 1:15 PM ET

Designing Engaging and Inclusive Content

- Learn how to set learning meaningful outcomes, pick your through-line, and select just the right number of big ideas
- Learn how to create a schedule that flows seamlessly!
- Learn how to connect with participants, connect participants with one another, and connect participants with compelling content
- Learn how to support participants regardless of their ability, race, age, gender, etc.

WEEK 2
11.9.2020
12:00 PM – 1:15 PM ET

Discovering HOW to Make Virtual Learning Wildly Effective

- Learn how to help participants prepare for the virtual session and get the most out your time together
- Learn how to open and close virtual sessions that address key outcomes, increase learning, and keep neurons firing
- Learn why humans love choice and how to embed choice everywhere!
- Learn how to help participants feel safe, seen, soothed, and secure so they can remain in the zone of optimal learning

WEEK 3
11.16.2020
12:00 PM – 1:15 PM ET

Delivering virtual PD (Re-designing Your PD) Using Innovative Technology

- Learn how to use technology to facilitate and support change
- Learn how to align your outcomes with tons of web-based tools
- Learn how to redesign virtual sessions by creating multiple access points and different avenues for learning
- Learn from our mistakes so you can avoid common pitfalls when teaching online

WEEK 4
11.23.2020
12:00 PM – 1:15 PM ET

Delivering PD Like a Boss

- Learn to apply highly effective co-teaching practices
- Learn how to limit and reduce microaggressions...and repair when harm has occurred
- Learn how to handle difficult situations in supportive ways
- Learn our behind-the-scenes “tricks of the trade”
